LICENCE TO PLAY

Enchanting ladies of Reval Ladies Tennis Club are hereby invited to enjoy their hobby in the company of their fellow Finnish gentlemen. The springlike tennis happening carries a name Tennis Fiesta as some of you may remember.

The organizers have prepared themselves with a certain amount of tennis courts and balls as well as with something to eat and drink.

Those who will travel abroad aboard for the first time don't have to be afraid of the ice. Most probably the sea will be open then – between the individuals the ice, of course, has melted years ago. Likewise the season to see the northern lights (Aurora borealis) is over. Instead your hosts are looking forward to seeing you shine and smile .

Our cosy Fiesta does not set any special standards for the clothing. Please, come as you like. No formalities will be demanded in spite of the obligatory toasts. If in doubt the dubious one may consult the experienced ladies visited us before.

To ease your mind a special tennis peace will be declared to all land for the duration of the event. However, all the gentlemen confirm their high hopes to accompany ladies as well on the courts as at any place. As always the after tennis fiesta will comprise small talk and great ideas.

Playing on the courts at Tali Tennis Center will start Saturday 20th May at 11 o'clock and will cease at 17 o'clock. After tennis party will take place at Pakintalo at 19.30 o'clock. The venue is old and low, but there will be room enough for us.

Welcome to our modest premises! Hilarious may it be!

Your most humble servants
